

PROVISIONS FOR THE CLOSING OF SCHOOLS DUE TO INCLEMENT WEATHER OR OTHER EMERGENCY

I. **PURPOSE**

The purpose of this document is to establish the procedures to be followed in the event that school is cancelled or delayed due to inclement weather or other emergency.

II. **GENERAL STATEMENT**

This document establishes the procedures to be followed in various situations when schools may be closed. In situations not anticipated by the provisions of this document, the superintendent shall make the sole determination as to how the situation shall be addressed. The superintendent's decision in these instances shall be final.

Some personnel may be required to report to work even when school is cancelled for students or when other personnel may not be required to report; please refer to the definitions below to identify your specific group.

III. **DEFINITIONS**

A. **Emergency Personnel** - Any ISD #200 employee who is designated to perform services which are necessary even in the event that the school district is closed due to inclement weather or other exigency. They include the following individuals:

- Director of Maintenance
- Site Lead Custodians
- Maintenance Staff
- Coordinator of District Services
- Director of Food Service – *depending upon circumstances*

*Employees included in this group **will always be required to report** regardless of the status of a school closing.*

B. **Tier I Personnel** - Any ISD #200 employee who is scheduled to work 205 days or more per year (*Appendix B-1 of your contract*). *Employees included in this group **may be asked to report** depending on the situation surrounding the change in school schedule.*

C. **Teachers** – Any ISD #200 employee who is a part of the Teacher's Bargaining Group. *Employees included in this group **may be asked to report** depending on the situation surrounding the change in school schedule.*

D. **Tier II Personnel** - Any ISD #200 employee who work less than 205 days per year (*Appendix B-1 of your contract*) regardless of whether or not they are paid at an hourly rate or by salary. *Employees included in this group **should not report when school has been closed unless specifically directed to do so**. In the event of a delay, employees in this group will be expected to report at the designated time.*

IV. **MAKING THE DECISION TO CLOSE SCHOOL**

Only the superintendent or his specifically authorized representative may approve a school closing.

If the district remains open and employees determine that the risk is too great for them to attempt to reach their work location, they may elect to take a vacation day, personal day, non-duty day or an unpaid day.

V. PROCEDURES FOR CLOSING SCHOOL FOR ISD #200 STUDENTS/STAFF

On days when the weather forecast or early morning weather conditions are questionable, employees and parents should monitor the Hastings Public Schools website: www.hastings.k12.mn.us as well as local radio and television, to determine if the district has closed or delayed their start time.

Once school has been delayed or closed, an official announcement will be made to staff via the School District's Automated Call and Staff Email, identifying which personnel, if any, are being asked to report, as defined in Section III of this document.

VI. STAFF RESPONSIBILITIES IN THE EVENT OF A SCHOOL CLOSING OR DELAY

A. When staff is directed to report

1. Employees who are unable to report for work on a day when school is closed and employees are directed to report, may use any of the following leave types if available in your specific contract:

- Vacation
- Personal Leave
- Essential Leave
- Comp Day
- Pay Deduct

Employees are to submit their leave via Aesop Absence/TimeClock+ indicating the leave option they wish to access as soon as possible.

2. Leave reported prior to the official announcement will be removed with the exception of board approved leaves.

B. Staff is directed not to report

If the official announcement from the School District to staff indicates that "staff should not report", then only designated "**Emergency Personnel**" are required to report.

***NOTE:** In very limited circumstances, an individual who is not identified as Emergency Personnel may be required to report to address very specific assignments (Payroll/Athletics), in these situations the individual required to report would be notified directly by their supervisor. The time spent working would be flexed with the direct supervisor's approval.*

1. Teachers, Tier I and Tier II Employees **should not report**. In order to be paid, hourly employees should enter their average daily hours on TimeClock+ using the Emergency Close Leave option.
2. Emergency Personnel who are hourly employees will receive floating time off as approved by your Supervisor, for the time worked on a day when school is closed and other employees are not required to report.
3. Emergency Personnel who are salaried shall be paid as though present at work. Salaried employees who are "emergency employees" and report for work will not receive any additional compensation.
4. Emergency Personnel, who are unable to report due to the conditions, should notify their supervisor as soon as possible.
