## Secondary Students

To the Parent/Guardian of: \_\_\_\_\_

Our school health records indicate that your student has a lactose intolerance. The Hastings School District and state regulations require a signed parental request form on file if the Food Service Department needs to provide a milk substitution at breakfast and/or lunch. Please complete this form and return it to the health office of the school your student will attend in the fall. This form will need to be filled out and signed in the fall of every school year. This form will be placed in your student's health record and this information will be shared with Food Service staff.

### STUDENTS WITH LACTOSE INTOLERANCE

The responsibility of the Hastings School District to provide substitutions for any child with lactose intolerance is specified in State Law 124D.144. Under this law, a school district that participates in the National School Lunch Program or School Breakfast Program and receives a written request from a parent shall make available lactose-reduced milk.
